EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: In claim 33, a period has been placed at the end of the claim.

It is noted that the correction relates to a grammatical informality and does not affect the scope of the claims. Also, the correction is in response to a "printer rush" query from issue branch which necessitates expedited correction of the problem. The Examiner should be contacted immediately to make other appropriate correction in the event that Applicant does not approve of the above change.
